becomes a botch workman, why shouldn't a farmer's son, who ought to have been an architect, make a poor farmer? He certainly will, fig-I have a letter from a resident of Alabama who says be hated farm work and ran away to escape it. His father wanted him to be a farmer, and he wanted to be something else. The boy ran away, and is now com-

paratively rich and doing well. He reasons that farmers' sons should run away to get along in the world. The idea is pernicious and altogether any further. wrong. The chances for a runaway boy are not one in a hundred. The bare fact of having run away is enough to condemn him with all honest more than one or two will stand any despaired of, until in last October
